

SRP Environmental, LLC Acquires Soapweed Solutions, LLC

SRP Environmental, LLC (Shreveport, LA), an Inc. 5000 company specializing in environmental, health, and safety (EHS) consulting, announced that it has acquired **Soapweed Solutions LLC** (Eaton, CO), a provider of occupational safety consulting and training services to public and private clients in the Rocky Mountain region and the northern Great Plains. “The addition of Soapweed Solutions broadens our geographic footprint and expands our customer base,” said Keith Sampson, president and CEO of SRP Environmental. “They are well respected experts in their field, with particular expertise in safety consulting and training.”

Tara Steinke, founder of Soapweed Solutions, noted “we have taken great pride in providing our clients the best service at the highest level of technical expertise. Joining forces with SRP Environmental LLC will allow us to go even further with these goals.”

SRP Environmental, LLC, an Inc. 5000 company as well as a ZweigWhite Hot Firm Winner for 2011 and 2012, provides environmental health and safety training and services that include environmental reporting and monitoring, industrial hygiene, catastrophe response, and safety consulting. With the acquisition of Soapweed Solutions, a well respected health and safety training firm, SRP Environmental, LLC has increased their abilities to bring a higher level of dedication and proficiency to the customer.
