**ZweigWhite recognizes SRP Environmental, LLC as One of Nation's Fastest-Growing Environmental, Health and Safety Firms**

Shreveport, LA - November 28, 2012 -

SRP Environmental is pleased to announce they have been recognized in the the Zweig Letter 2012 Hot Firm List (Ranked #58), which was recently announced at The Zweig Letter Hot Firm 2012 Conference awards ceremony. The ceremony closed out the two-day The Hot Firm Conference, held annually, every October since 2000, at exciting locations throughout the U.S.

This year's conference, the most anticipated event in the A/E industry, was held in Aspen, CO, at the St. Regis Hotel and Resort. CEOs, owners, presidents, principals and other leaders from the top design and environmental firms (including SRP Environmental's CEO, Keith Sampson), along with entrepreneurs, authors and business experts, came to the event to share industry news, compare strategies for success, learn from their peers, and leave with renewed inspiration for another successful year.

The Zweig Letter 2012 Hot Firm List recognizes the 100 fastest-growing architecture, engineering, planning and environmental consulting firms in the United States and Canada. These firms have outperformed the economy and competitors to become leaders in their chosen fields.
